Your question has perfect timing, Ayn! I'm leaving soon for the day, but I wanted to see if we had clearance to post this. I just got the actual link to the comment period extension from Rebecca Foster, and I'll run a draft of the page by all of you before getting final approval from Jim to post.

Thanks!

Are you in the process of posting this, or providing a link to the FR website? We need to get the data for public comment period closure corrected to the new date of Jan 15 as soon as possible given that the 16th is today. Let me know what you need from me...

Fred -- is this the right notice? It refers to an Oct 16 extension.
